WHAT CLIENTS SAY

"Superb speaker on digital and business with fascinating insights, top-notch presentation skills and a winning personality - highly recommended!"
- Benno Marbach, Founder, CMO Conference

"I found Mrs Kamales Lardi's presentation very interesting. Above all, she demonstrated that digitisation develops from the mindset and leadership, from technology. I also liked the well-chosen examples that show that new, out of the box thinking, is necessary, and how disruptive trends and digital technologies create business opportunities."

- Carl Elsener, CEO, Victorinox

"Kamales was a keynote speaker at one of our @CommsHero events. Her strategic thinking and marketing knowledge was clear to see at our event and the session received awesome feedback from the delegates. I would highly recommend Kamales as a speaker at any event where you require strategic business and marketing know-how."

- Asif Choudry, Sales & Marketing Director, resource UK

"Kamales Lardi not only delivered a speech about Digital Transformation in Healthcare at the HEALTHINAR Workshop Day but inspired the participants with her holistic approach. Kamales presents facts, analogies, insights - a fascinating, sustainable and convincing way of transferring knowledge. Knowledge that lead you to the next step. GREAT!"

- Maurice Codourey, Co-Founder, HEALTHINAR

"Your ability to present the subject in such an interesting way produced one of the most helpful and useful lectures in our program's experience. Thank you so much for your valuable contribution and for sharing your time and your experiences with us."

- Lina Khasan-Bek, Max Goltsberg, co - directors of the DBA program, Business School MIM-Ky (Ukraine)

PROFILE

Kamales is a bold and strategic thinker in digital and business transformation. She combines over 21 years of cross-industry experience with a dynamic understanding of emerging technologies. She often says, **'technology is not a silver bullet solution, a clear value proposition should drive any transformation effort'**. Kamales has advised multinational companies across various industries in Europe, Asia and Africa.

The high-quality and outstanding advisory of Lardi & Partner Consulting was recently recognized by the Business Worldwide Magazine 2020 Global Corporate Excellence Awards, winning the category of **'Digital Business Transformation Firm of the Year'**.

Kamales is a Teaching Fellow and Chairperson of the MBA Advisory Board at Durham University Business School, and she was recently awarded as **Top 10 Global Thought Leaders and Influencers In Digital Transformation (Thinkers360)**. She is also the Chair of the FORBES Business Council Executive Women.

Kamales is an expert in blockchain, having developed a platform for palm oil industry that drives sustainable traceability and trust in the supply chain. She is a strong **advocate for diversity in tech**, and believes that diversity of knowledge, culture, gender, sexual orientation, and experience plays a critical role in developing technology solutions that have a transformative impact in business and society.
